**Note:**

- The above mentioned results were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 13/02/2013.
- Previous period/year figures have been regrouped / rearranged, wherever necessary, to confirm with the current period classification.
- The reason for low performance of the company in this quarter is due to sluggish performance at site project. However, the management is hopeful to come out of this in the next quarter and show better performance. The company has also received one Overseas (Nepal) Erection and commissioning contract and the same will also be started in the next quarter.
- The Company is engaged in single business activity (i.e. Erection, Commissioning, Supervision, Project Drawing and Designing and trading of fabricating material and equipment's parts etc.) and there is no separate reportable segment as per AS-17.
